

Vehicle Permit Application form

Name: _____

Mentor: _____

Mindarie Senior College recognises that Senior College students with licences will want to drive or ride, to and from, the College. The College has designated student parking places for motorbikes, scooters and cars (space permitting).

College expectations of personal vehicle use:

1. Drive carefully around the College area at the beginning and end of the day. The roads are extremely busy with other vehicles and students as pedestrians; not only from our College, but the neighbouring schools, all of which have very young students.
2. Do not take other students in your vehicle without the express knowledge of their parents/carers. Accident statistics for young drivers suggest that having friends in the vehicle can act as a distraction, which can cause accidents.
3. Recess and lunch times are both short. We strongly advise you not to use your vehicles at these times. You are likely to rush, drive less safely and be late to classes.
4. The College requires your vehicle registration (vehicle you will use the majority of the time). We want to be able to contact you immediately in the case of damage, poor parking or lights being left on.
5. Park only in the designated areas around the College. Do not park on the property of home-owners or in the Staff Car Park.
6. The College will contact parents/carers to advise if a student has lost the privilege of driving to College due to irresponsible behaviour, including careless driving or parking incorrectly.

Mindarie Senior College require:

- **A photocopy of your current valid Australian Driver's Licence** (attach to this form)
- **Vehicle make and model:** _____
- **Vehicle registration number:** _____

Please sign below to indicate you have read and agree to the information above

Signature of Driver: _____
