The Readiness Assessment for Electrical Apprenticeship

energy space
online resources

The Readiness Assessment tool is designed to assist aspiring electrical apprentices understand how well prepared they are (in terms of their literacy and numeracy skills) for the el

The Literacy section covers Reading and Writing skills at Australian Core Skill Framework (ACSF) level 3, the level recommended to give electrical apprentices the best chance of pro qualification.

The Numeracy section is broken into the fifteen subtopics which underpin the first two years of the electrical trade program. The ACSF standard of the questions ranges from ACSF questions), ACSF 3 (10 questions) and ACSF 4 (22 questions).

The subtopics covered, and the units they relate to, are outlined in the following table

	SQUARES AND SQUARE ROOTS	FRACTIONS, PARTS OF A WHOLE	ORDER OF OPERATIONS	SCALES	ESTIMATION	SCIENTIFIC NOTATION	PERCENTAGES	ROTATION	TABLES	GRAPHS	INTERPRETING PLANS	TRANSFORMATION	PROBABILITY THEOREM	SPATIAL RELATIONS

Sitting the Readiness Assessment

Use the link below to register to sit the Readiness Assessment at your local training institution.

The Readiness Assessment will help you to identify and address potential barriers to success before you begin an apprenticeship.

The Readiness Assessment runs for 90 minutes, consisting of;

- Part 1 - Literacy section - recommended time 15 minutes
- Part 2 - Numeracy section - recommended time 75 minutes

Note: You will only be able to access this assessment at a supervised session. To select a session to attend, please select 'SELECT SESSION\LOCATION HERE'.

Please call 1300 43 77 22 if you require assistance.
