

UniPrep Schools On Campus Experience

Joondalup Campus

Thursday 24 November 2022

Welcome to ECU UniPrep Schools

Edith Cowan University is committed to enabling students from all backgrounds to succeed in higher education and life-long learning. As part of the UniPrep Schools course, you are invited to attend a tailored open day at ECU's Joondalup campus. You will experience discipline-specific workshops, tour the ECU facilities, and engage with student ambassadors. You will also be introduced to ECU's extensive learning support services. This on-campus experience will complement the learning outcomes of the four units you are completing during your school study.

Future Students

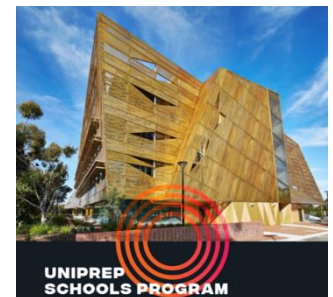

Our students at ECU come from all over Australia and the world to study in a practical supportive learning environment that encourages students to reach their potential. We have more than 30,000 students who choose learning modes to suit their lifestyles. With on-campus and online study modes, distance education and overseas study options, our students can take their studies at a pace that suits them, wherever they go. During your on-campus experience you will see this practical learning environment in action, to help you consider your post-school options.

Kurongkurl Katitjin

ECU acknowledges and respects the continuing relationship with the Noongar people, the traditional custodians of the land upon which its campuses stand.

Kurongkurl Katitjin, pronounced *koor-ong-kurl cut-it-chin*, is a Noongar phrase meaning "coming together to learn". As part of your on-campus experience you will have the opportunity to meet staff from Kurongkurl Katitjin who seek to provide excellence in teaching, learning and research in a culturally inclusive environment that values the diversity of Aboriginal and Torres Strait Islander peoples' traditions, languages and cultures.

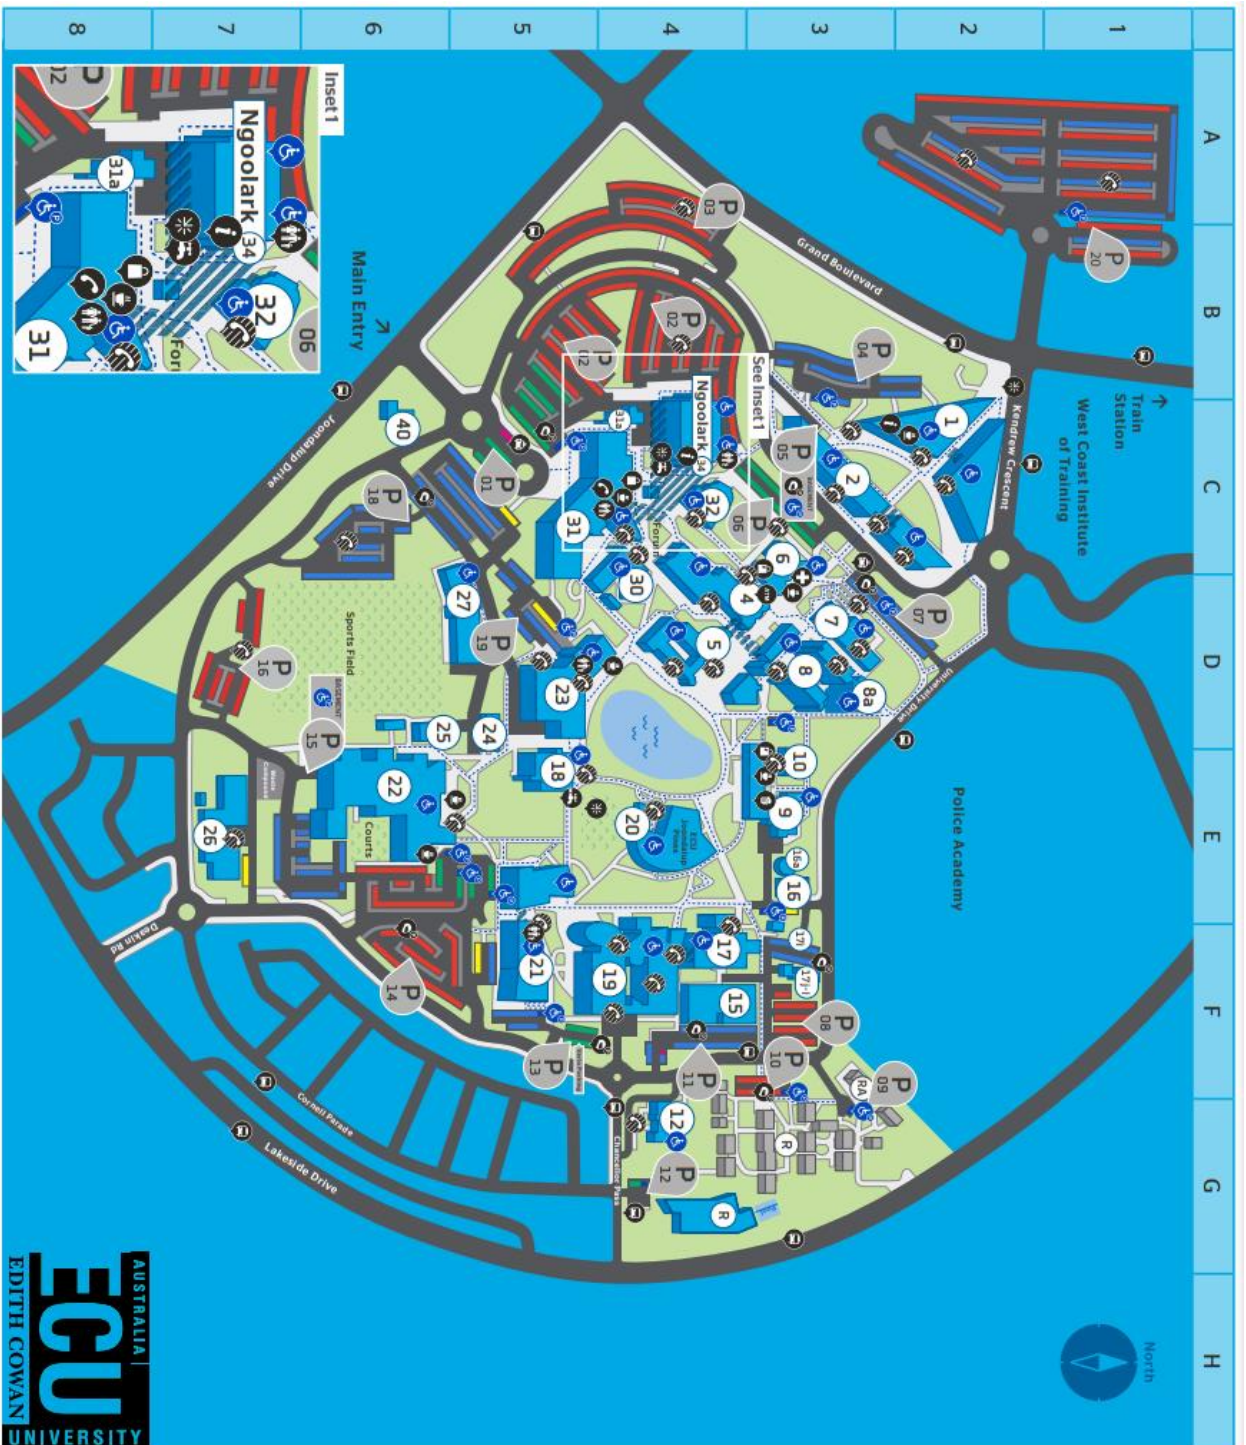

Workshops to experience ECU study areas

A key component of your on-campus experience will be participation in workshops facilitated by various ECU schools. **You need to select your choice of on AM workshop and one PM workshop prior to attending the 'experience'**. Each workshop will accommodate a set number of students. If you happen to miss a spot in your preferred study area, not to worry as our Future Students team will still be able to give you all the information you need for your undergraduate options.

Closer to the date, information and TryBooking links for workshops will be shared with you by your teacher and then open 9am Monday 21 November and close Tuesday 22 November 5pm.

Schedule of Experiences at ECU Joondalup 24 November 2022
