Certificate II in Community Services (follows on from General Children, Family and Community in Year 11)

I have selected at least one list B course for Year 12

I have selected an ATAR pathway

I have selected a General pathway

I agree to abide by all College Policies, including the Dress Code, Mobile Phone and Good Standing Policies

Please Note the Academic Standards Policy will apply to all Year 11 students

Academic Standards Policy:

Student individual academic success is a priority of teaching and learning at Mindarie Senior College. All learning programs focus on the successful attainment of academic goals and a student's successful transition to a preferred pathway at the completion of Year 12.

In order to achieve this outcome all students in Year 11 are required to achieve the minimum standard of a C grade (or equivalent) in four courses. A C grade equivalent is achieved in VET courses by the achievement of all units of competence.

Students studying an ATAR pathway need to achieve a minimum predicted ATAR of 65 by the end of Year 11.

Students who do not meet this minimum academic standard will be expected to move to a General pathway, repeat Year 11 the following year or seek alternative training or employment.
