

Uniform Acceptability Guidelines

1. Uniform is to be worn as intended. Please discourage students from rolling up or down any uniform item.
2. Closed in shoes for ALL students.
3. **NO HATS** to be worn inside the buildings.
4. Only items of College dress purchased through the school may be worn. Any other item is unacceptable e.g. Non-pleated skirts.
5. Students may wear other tops under their college shirts provided no part of the 'undershirt' is visible below the college shirt sleeves or below the bottom of the college shirt. Visibility at the neck is acceptable, but with no brand name words showing on neck bands. Any student wearing coloured undershirts which show below the college shirt bottom or sleeves will be required to remove them.
6. No belts or style waist decorations are acceptable at any time.
7. Students have a fairly free range of choice with socks, but stockings and footless tights (must be ankle length) must be plain blue or black. A skirt or pair of shorts must be worn over tights at all times.
8. Ugg boots of any form are not acceptable.
9. In the winter or cooler weather, only college jumpers or jackets may be worn around the college. This may also include the College Ski Trip jacket. Non-college weather-proof jackets can be worn on the way to school but must be removed once at college.
10. Jewellery may be worn, but if it is deemed a health hazard, and against OSH standards, then it must be removed.
11. PE uniforms and Dance and Drama clothing is only appropriate when students are in those specific classes. It is not acceptable to be worn at any other time.
