COLLEGE USE ONLY
S/sheet Updated: ☐
Entered Compass: ☐

Mindarie Senior College recognises that Senior College students with licences will want to drive or ride to and from the College. The College has designated student parking places for motorbikes, scooters and cars (space permitting).

Your decision to drive a vehicle to the College carries certain obligations. The following statements indicate what is expected of all students driving vehicles to the College.

I, (Student full name) _____ of Mentor _____ a*gree to the following College expectations of personal vehicle use:*

- I acknowledge that driving to and from the College I am legally responsible for myself (and any passengers) according to the State Traffic Code.
- I agree to drive carefully near and around the College area at the beginning and end of the day, the roads being extremely busy with other vehicles and students as pedestrians; not only from our College, but the neighbouring schools, which have very young students.
- Agree not to take other students in my vehicle without the express knowledge of their parents/guardians. Accident statistics for young drivers suggest that having friends in the vehicle can act as a distraction, which can cause accidents.
- I acknowledge that recess and lunch times are both short and it is strongly advised not to use my vehicle at these times.
- I agree to provide my vehicle registration so that the College can contact me immediately in the case of damage, poor parking or lights being left on etc.
- I agree to provide a photocopy of my current Australian Driver's Licence (attached to this form)
- I agree to park only in the designated areas around the College and will not park on the property of home-owners or in the Staff Car Park.
- I acknowledge that the College does not guarantee parking space of students' cars, nor does it accept responsibility for their safety from damage.
- I agree to adhere the Student Parking Permit sticker to the inside of my windscreen (this permit will be issued to you upon submission of this form).
- I acknowledge that the College will contact my parents/guardian to advise if I have lost the privilege of driving to the College due to irresponsible behaviour, including careless driving or parking incorrectly.
