*** Please note: Students will only be considered for this scholarship if they uphold the core values of our College by pursuing personal excellence, building positive relationships and demonstrating social responsibility.*

Please return to the Front Office.

Conditions to receive an award:

- Represents WA or Australia in their chosen sport or athletic endeavour. This includes all WA state junior or senior teams.
- This scholarship also extended to sports such as swimming and surf lifesaving, where the structure of the sport involves students representing their club at national championships.
- The College must receive written confirmation or evidence that the student is involved in a high level sport (see above).

The scholarship will be credited to the student's College Charges account after the student competes at the national championships. With parent permission, the student's success will be shared with the College community via social media and at College assemblies.
